**OFFER OF TERRORISM COVERAGE  
DISCLOSURE OF PREMIUM AND FEDERAL PARTICIPATION**

The Terrorism Risk Insurance Act of 2002 establishes a program within the Department of the Treasury, under which the federal government shares, with the insurance industry, the risk of loss from future terrorist attacks. The Act applies when the Secretary of the Treasury certifies that an event meets the definition of an act of terrorism. The Act provides that, to be certified, an act of terrorism must cause losses of at least five million dollars and must have been committed by an individual or individuals acting on behalf of any foreign person or foreign interest to coerce the government or population of the United States.

In accordance with the Terrorism Risk Insurance Act of 2002, we are required to offer you coverage for losses resulting from an act of terrorism **that is certified under the federal program** as an act of terrorism committed by an individual(s) acting on behalf of a foreign person or foreign interest. The policy's other provisions will still apply to such an act. You may accept or reject this offer.

You may choose to reject the offer by signing the enclosed statement and returning it to us, and your policy will be written to exclude the described coverage.

**REJECTION OF TERRORISM INSURANCE COVERAGE**

I hereby reject the offer of terrorism coverage. I understand that an **exclusion** of certain terrorism losses will be made part of this policy.

**DISCLOSURE OF PREMIUM**

If you accept this offer, the premium for terrorism coverage is \$ \_\_\_\_\_.

**DISCLOSURE OF FEDERAL PARTICIPATION IN PAYMENT OF TERRORISM LOSSES**

The United States Government, Department of the Treasury, will pay a share of terrorism losses insured under the federal program. The federal share equals 90% of that portion of the amount of such insured losses that exceeds the applicable insurer retention.

**The following statement is required to be part of this Policyholder Disclosure in Georgia:**

**LIMITATION ON PAYMENT OF TERRORISM LOSSES** (applies to policies which cover terrorism losses insured under the federal program)

The provisions of the Terrorism Risk Insurance Act of 2002 can limit our maximum liability for payment of losses from certified acts of terrorism. That determination will be based on a formula set forth in the law involving the national total of federally insured terrorism losses in an annual period and individual insurer participation in payment of such losses. If one or more certified acts of terrorism in an annual period causes the maximum liability for payment of losses from certified acts of terrorism to be reached, and we have satisfied our required level of payments under the law, then we will not pay for the portion of such losses above that maximum. However, that is subject to possible change at that time, as Congress may, under the Act, determine that payments above the cap will be made.
